ANCIENT NUMISMATICS
ABSENTEE AUCTION
CONDITIONS OF SALE

1. Since the mail is not always dependable, and in order to give our clients more personalized service, we strongly recommend that you call your bids in. We will be happy to assist you with your bidding, answer any questions or give more exact descriptions of the lots.
2. Each lot in this sale has both a current estimated value and a minimum bid price. The estimated value (in parentheses) is intended as a guide to assist you in your bidding, while the minimum bid (in bold) is the lowest acceptable bid for the lot.
3. You may call at any time prior to the closing of the sale to check the status of your bid. At that time you will be informed of the highest current bid. You may then, of course, raise your bid if you desire.
4. Your bid, either written or oral, grants HRN the authority to protect you up to the amount of the stated bid (or percentage increase as provided for on your bid sheet).
5. The current bid is determined by taking the second highest bid, then increasing it by one bidding increment. Increments will be as follows:

Up to \$300 — increments of \$10	\$3000 to \$7500 — increments of \$250
\$300 to \$750 — increments of \$25	\$7500 to \$15,000 — increments of \$500
\$750 to \$1500 — increments of \$50	\$15,000 to \$30,000 — increments of \$1000
\$1500 to \$3000 — increments of \$100	\$30,000 and over — increments of \$2500

Example — you bid \$1000 on a lot, which is the highest bid received to date. The second highest bid is \$500—the current bid is yours at \$525. Any bid received below \$1000, will automatically be topped by the auctioneer, bidding for your account.

6. In the event of tie bids, the earliest bid received will be adjudged the winner.
 7. Pledged bids will not be disclosed by the auctioneer, only the current high bid.
 8. A 10% buyers premium will be added to the hammer price.
9. Incoming phone bids will be accepted up to 5:30 P.M., New York time, on the closing day February 16, 1994. Any calls already on hold at that time will be accepted. Calls coming in after 5:30 will not be honored. The mail is not always prompt. If the sale date is less than one week away, please call or FAX your bids in. Please call in your questions about lots at least one day prior to the closing day. Otherwise, we may not be able to spend as much time with you as necessary, due to the last minute rush.
 10. Viewing of the lots will end at 3:00 P.M. on the closing day.
 11. Call Back Service: If you desire a call back on any lot you have been outbid on, please place a check on your bid sheet next to those lots. Any lots that have not been resolved prior to the closing time, will be resolved by call backs over the next few days, during regular business hours. Please indicate the telephone number, on your bid sheet, where you can be reached between 10:00 A.M.-5:00 P.M. New York time. Bidder will forfeit call back rights if we are unable to reach you. You may, in addition, call us as a callback. **No call backs will be executed on any lots at bidding levels under \$100. Minimum bids do not qualify you for callbacks.**
 12. You will be permitted to increase bids only on lots that you have placed bids on prior to 5:30 of the closing day. No bidding will be permitted on additional lots which you have not placed a bid on prior to the closing time, during the call back period.
 13. The highest bidder shall prevail. It is the sole right of the Auctioneer to settle any dispute between bidders, to offer for resale any lot under question and to regulate the bidding. The auctioneer also reserves the right to refuse any bid he believes not to have been made in good faith.
14. All lots are guaranteed genuine as described, both as to condition and authenticity. Any lot may be returned within 10 days if inaccurately described as to extent of damage. All returned lots must be received by us in the same condition as when shipped. Any dispute as to authenticity must be made within six months of the auction date.
Accurately described lots are not returnable.
 15. If you are a New York State resident, appropriate sales tax will be added to your invoice. If you are exempt from tax by virtue of a resale number, please send us a copy of your certificate, unless it is already on file with us.
 16. If you are an out-of-state or foreign dealer and you wish to pick up your lots at the Gallery you must submit a New York out-of-state resale permit (ST-128.1).
 17. Shipping and packaging charges will be added to your bill unless the lots are picked up in person. All shipping will be via U.P.S. unless otherwise requested. Certain items purchased in this auction may be subject to higher shipping charges due to their bulk and size. International shipping will be by C.O.D. and only packing and handling charges will be added to your invoice.
 18. Successful bidders will be notified by mail. Payment is due upon receipt of invoice in U.S. funds. Any check drawn on a foreign bank will be subject to a \$50 collection fee. Credit cards may be used but will be subject to a 5% processing fee. All lots will be shipped only after receipt of remittance.
 19. Bidder will forfeit all claims on lots left unpaid for after a period of one month.
 20. Lots will be on view in the Gallery starting three weeks prior to the closing date.
 21. Lots will be shipped upon receipt of payment in full. Please allow three to six weeks for delivery.
